OUR NEIGHBOURHOOD BREAKFAST

At **HOTEL INDIGO EDINBURGH** we source our ingredients locally to give you the best and freshest taste of our neighborhood.

We Only use Free Range, RSPCA assured eggs so you are assured a higher quality from a more human source.

Your meats are prepared in Lathallan, just outside of Edinburgh. We use the highest quality Scottish butcher; Campbell's Prime Meats has a long history within Edinburgh and have been supplying Scotland's hotels and restaurants for decades.

Our Teas and Coffee are sourced from Brodies Teas. Based in Musselburgh, they are credited with the creation of Breakfast Tea. A blend enjoyed by Queen Victoria on a visit to Balmoral. She brought it back with her to London where it became popular and was renamed as "English Breakfast Tea"...

We hope you enjoy our breakfasts which are specially prepared just for you!

Please notify your host if you have any dietary requirements
